### QUAKE NOT SERIOUS IN ANGEL CITY

Damage Described as "Super-  
ficial" By City Building  
Superintendent

**SAN FRANCISCO OFFERS AID**  
Los Angeles Mayor Declines,  
Saying No Damage to Per-  
sons or Property.

(Associated Press) LOS ANGELES, July 17.—Damage today by earthquake shocks was described today by J. Backus, city building superintendent, as "superficial." He did not attempt to estimate money loss. Damage was widespread but in no individual case was there serious loss Backus said. Falling of chimneys and insecurely placed shade canopies and tower ornaments, broken windows and the parting of seams in brick walls constituted the chief damage. The principal effect of the shocks was a psychological nature. Thousands of workers in factories and offices left their places and many refused to return.

Mayor Snyder in a statement declared any impression that Los Angeles suffered "material damage" on account of earthquakes was "entirely false." In response to a telegram from Mayor Rolph of San Francisco offering the services of that city, Mayor Snyder after expressing thanks for their offer declared the earthquakes were slight and there had been no damage to persons or property.

### REDUCED CABLE RATE TO BRAZIL ARRANGED

Reduced cable rates to Brazil the new cable which the Western Union company will lay in connection with the Western Union company has already had the effect of reducing the Brazilian rate from 85 to 65 cents per word, and as soon as the Western Union western cable is in operation, the rate will be further reduced to 50 cents a word. The reason this rate can be made is that the new route of the Western Union goes directly to Brazil, whereas the All American route goes down the west coast, crosses the Andes in Buenos Aires, thence up the coast, making a much longer route.

### FRANCE'S TIGER QUITS POLITICS

Worries Little About Criticisms  
Directed at Him Re-  
garding Treaty.

(Associated Press) PARIS, June 20.—The Georges Clemenceau, the former Premier has definitely withdrawn from active politics and worries little about criticisms leveled at him by enemies of his regime and of the Versailles treaty was shown the other day when the correspondent of the Associated Press called on him to obtain his reply to the taunts of his adversaries in the Chamber of Deputies. The effect that he did not know where Mussolini was located when he ended it to Great Britain.

"These professors of geography who are criticizing me," replied the former Premier "would be greatly embarrassed if some one should ask them the location of a town of that size by their own circumscription." M. Clemenceau was engaged in the task of putting the finishing touches on the first draft of a novel dealing with Egyptian life, said he was through with politics forever. "My task is finished. I have done my work," he said the correspondent.

The statesman, now entering his sixth year looked hale and vigorous and in better health than he has been since the attempt upon his life by Emile Zola.

### CHALLENGER MILE BEHIND AT FIRST TURN IN SECOND RACE; AMERICAN BOAT SHOWS SPEED

(Associated Press) SANDY HOOK, July 17.—The Resolute led the Shamrock IV around the first turn today in the second race of the America's cup series. The challenger was fairly a mile away and virtually becalmed.

The Shamrock IV rounded the first mark at 5:10 o'clock 36 minutes and 23 seconds behind the defender.

### HUNTERS RETURN WITH FULL BAGS

Sagehen Season Auspiciously  
Opened By Tonopah  
Nimrods this Week

Quite a few Tonopah hunters who celebrated the opening of the sagehen season returned last night all bringing home the limit. It was noticeable they declared that there are few young birds this year. A fact hard to account for.

The majority of the Tonopah hunters went to Dry Creek, while one party, consisting of Joe White, Jack Thompson, W. H. Westall, superintendent of the Belcher and S. M. Wilson of the Victory, went to Skull Creek near Grass Valley. Landers county, and secured the limit there. Henie Hinkle, Steve Sargent and W. H. Thomas formed a party to Dry Creek and met with excellent success. Grant Crumley and Stanley, late of the returned from Dry Creek with the limit Thursday night. Newton Crumley and son, Newton Jr., and W. W. Booth were at Dry Creek, also secured the limit. Newton Crumley, Jr., eight years old, proved an exceptional hunter, it being his first experience. Shooting a single barrel 120 gauge gun, he secured six birds, much to the astonishment of his senior hunters.

### FORMER LOCAL MAN PERFECTS FURNACE FOR RIVET MAKING

Bertson Balliet, former chief engineer at the Buckeye mine and well known in Tonopah, but now residing in Oakland, has perfected his invention of the Balliet Down Furnace to the point where rivets are being made by his process cheaper than they were made before, according to word received by Tonopah friends of the engineer. The furnace invented by Balliet is one that will control the heat and prevent oxidation of metal.

### PICTURE BRIDES TAKE HUSBANDS

Members of Congressional Im-  
migration Committee Wit-  
ness Ceremonies

(Associated Press) SAN FRANCISCO, July 17.—Members of the House Committee on Immigration witnessed at Angel Island customs station today a picturesque wedding of ten Japanese picture brides with their husbands. The brides were paraded off with their trunks through interchange of correspondence and photographs, while the congressmen regarded the proceedings closely. The committee had been a long time in evidence that the picture bride process, now banned by the Japanese government, is a custom whereby the Japanese import the most beautiful portions of California despite restrictive laws. Congressmen said conditions at Angel Island station were shocking. They found a cluster of wooden buildings without a single fire extinguisher and learned that rooms and windows in all buildings had no doors or were barred at night, with all doors controlled by a single control switch. Sanitary conditions, they declared, were awful.

### PUTNEY HERE TO FILE FOR OFFICE

County Commissioner A. S. Putney returned from the north end of the county yesterday. He has been looking over the roads in the Broken Hills country. While here today Mr. Putney filed his papers for the republican nomination for county sheriff and assessor. Mr. Putney stated this morning that if elected he will urge the people a business man's administration of the office. He promises strict enforcement of the laws but in a fair and impartial manner giving in short a square deal to all. The candidate has made his home in Nye county the last 15 years and is well and favorably known to a large number of people here. He has filled the office of County Commissioner for the past two years in a splendid manner. It goes without saying that if elected to the office of sheriff and assessor he will deliver the goods.

### CELEBRATE ANNIVERSARY

(Associated Press) PARIS, July 17.—The fifteenth anniversary of the establishment of the Third Republic will be celebrated on September 4 next and will be observed as a national holiday. The program of the celebrations has not yet been drawn up but officials have expressed the wish that they be organized on an elaborate scale and surpass the fest of July 14.

There was not much time, however, to put them down on their true racing lines. Captain Adams, skipper of the Resolute, won all honors at the start. Fifteen minutes after the start the Resolute was a quarter mile to the windward and holding the Shamrock IV well. At 2:05 both yachts were holding to a starboard tack. Three minutes later the Defender was well to the weather and increasing her lead. At this time a wireless message sent from a destroyer designated as the official press boat stated both yachts were still holding to a starboard tack with the Resolute to the windward and the Shamrock IV a trifle ahead but unable to cross the Defender's bow. At 2:30 o'clock the Resolute still had the pace well in hand. The wind was freshening. The Resolute at this time was leading by a quarter of a mile, both yachts were by somewhat astern of the Shamrock.

### JACK MURPHY TRIES SUICIDE

Commercial Man Known in all  
Parts of Nevada Is Taken  
From Ship; Insane.

Tonopah friends of "Jack" A. Murphy, traveling representative of the Pacific Hardware company and who has made this city his home since he arrived here in 1914, were shocked at news yesterday of his apparent loss of mind and attempted suicide on his way home from Shanghai. Murphy was known in every mining camp and city in Nevada as one of the most genial of regular visitors. He arrived in San Francisco Thursday on the steamship Nile. Officers of the boat said that while at Honolulu Murphy attempted to cut his throat with a pocket knife and jumped overboard. He believes he is pursued by enemies, passengers on the boat said.

Yesterday Anderson Ocean, a Honolulu friend of Murphy received the following explanatory telegram: "Jack Murphy suffered stroke and had prostration in Shanghai and was returning to San Francisco on account of his health but became insane en route. He is now in a detention home here and while doctors do not know positively he is apparently insane."

Murphy resigned his position with the Pacific Hardware company last March 30 to be succeeded by the firm of Anderson, Meyer & Co. His wife and two children who are now in San Francisco, expected to leave for Shanghai next month to join him there.
